

# Christmas plate

## The workbench

- Crayons
- Poster paint (non toxic)
- Paint brush
- Paper plates
- Thin tinsel
- Stapler and staples
- Water container
- Scissors

### Step 1.

Draw a Christmas picture onto a plate with crayons. Mix some paint with water until you achieve colored water consistency, then using the paint brush white wash (paint over) the entire picture on the plate and set aside to dry.

### Step 2.

Staple the tinsel around the outer edge of the plate.

### Step 3.

Set the Christmas table with your special plate, and then fill it with all the yummy treats.
